Please provide the following information about your horse in the space provided.

Current level of training or level of showing:

Turnout for your horse at prior location (i.e., large group, small group, individual, etc.)

List any special turnout equipment besides blankets that your horse requires.

Describe any chronic lameness problems (i.e., navicular disease, hock problems, etc.), current injuries, or allergies that your horse has.

List any bad habits such as biting, kicking, cribbing, weaving, etc., that your horse has. Please note that most horses have some undesirable habits and that this information is primarily to help the barn staff, not to exclude horses from boarding.

List any supplements or special feed that your horse requires. Hazelwild provides both pellets and a sweet feed as well as grass and alfalfa hay.

Please provide the following information about your riding:

Describe your current level of riding and/or showing:

Please check which programs you intend to participate in at Hazelwild if your horse is accepted to board here.
